Six meetings were held in 2009/10.

It has been a privilege to be President of the Library Council at such an exciting time. The Mitchell Library Centenary Exhibition and all the attendant events are a marvellous celebration of an extraordinary collection. I obviously get great enjoyment from working with Regina Sutton and the Executive team and the rest of the Library Council. The passion and enthusiasm of all our staff, volunteers, beneficiaries and friends continues to amaze me.

I have long been focused on Australia’s cultural and social development and I currently serve on non profit boards and committees involved in classical music, medical research, and social and educational programs. It is a great honour for me to be involved with the Library and to have the opportunity to contribute to its development, making use of my experience in caring for and enhancing the accessibility of our cultural heritage.
Mr. Graham Bradley AM  
BA, LLB (Sydney), LLM (Harvard), FAICD

My association with the Library goes back over 10 years when, in my former role as CEO at Perpetual Trustees, I was proud to sponsor some of the superb exhibitions staged by the Library. This led to my appreciation of the deep, diverse and priceless collection of absorbing materials held in the Mitchell Collection.

Mr. Michael Caulfield

My first sight of the Library was as a young boy from the western suburbs of Sydney and the addiction was immediate. I am particularly interested in the Library’s future in the digital age and the utilisation of its cultural wealth across all media platforms.

Mr. Richard Fisher AM  
LLB, M Ec

Beyond my involvement with the establishment of the Blake Dawson Prize for Business Literature, which the Library administers, it has been very rewarding to become involved with the most impressive programs undertaken by the Library to support both the Public Library Network and Specialist collections.

Assoc. Professor Bridget Griffen-Foley

I have been a member of the Friends of the State Library of NSW for several years; and in 2000 I was awarded a Harold White Fellowship by the National Library of Australia. I serve on the New South Wales Working Party of the Australian Dictionary Biography, which meets in the State Library, and I write for a range of other publications.
Mr Robert Knight  
BA  
*Director, Riverina Regional Library*  
*Appointed 2003, current term ends December 2011*  
Convenor, Public Libraries Consultative Committee  

I am now in my third term as Local Government appointee to Library Council, and am enjoying the opportunity to contribute to the growth and development of the State Library and the NSW Public Library Network. I have a longstanding commitment to the recognition and development of public libraries in Australia.

Ms Lynette Nixon  
MCom  
*Director, Innovation, Knowledge and Research, PricewaterhouseCoopers*  
*Appointed 2009, current term ends December 2011*  
Grants Committee  

I am the Director of Innovation – Deals at PricewaterhouseCoopers where I have worked for the past 10 years. In this role I am able to apply my passion for creativity and bringing people together to work differently so they can achieve better than expected outcomes. As a member of the council I am excited by the prospect of contributing to the success of New South Wales’ very own icon.

Dr John Vallance  
BA, MA, PhD (Cambridge)  
*Headmaster of Sydney Grammar School*  
*Appointed 1 January 2008, current term ends December 2010*  
Fellowships Committee  
State Library of NSW Foundation Board  

I am currently Headmaster of Sydney Grammar School. My published work centres on ancient Greek science and medicine. I have also worked as a musician and have a deep interest in art, especially sculpture. The State Library has been part of my life since I was a child, and I am delighted now to have the opportunity to support its work in a practical way.

Ms Regina A Sutton

*State Librarian and Chief Executive*  
*Appointed 10 July 2006*  
Secretary to the Library Council  
LiC Advisory Board  
Public Library Consultative Committee  
State Library of NSW Foundation Trustees  

My local library helped to shape my view of the world and what I could accomplish with my life as a child. I have spent over 25 years of my professional career in senior leadership roles that have focused on providing people with products and services that inform, enlighten, or enhance their ability to engage and interact with others for a variety of purposes. That’s why I believe in what the State Library represents and the unique value it provides to our community.

Under Section 10 of the Subordinate Legislation Act 1989 the State Library is required to review the Library Regulation 2005 every five years by preparing a Regulatory Impact Statement (RIS) and conducting a public consultation. In accordance with the Premier’s Memorandum M2009-20, the RIS should consider the economic and social costs of the regulation and investigate the best options to deliver the greatest public good.

The Library Regulation makes provision in respect of the following matters:

a. the management of the State Library and of local libraries (including the making of rules for the use of libraries and the maximum fee that may be charged for the late return of borrowed library material)
b. the conduct of users of the State Library and local libraries
c. the amount used for the purposes of calculating the yearly subsidy payable to certain councils in respect of library services and related facilities provided by those councils
d. the determination of local populations for subsidy purposes.

The Library Regulation Review process was managed by the Director, Public Library and Community Learning Services in consultation with Arts NSW. Hawkless Consulting Pty Ltd was engaged to prepare the RIS according to the NSW Government’s Better Regulation Guidelines, and to conduct preliminary consultation with key stakeholders. Following ministerial approval, the draft Regulation and RIS were released for a one-month public consultation period.

In June 2010, The Library Council endorsed the key outcomes and recommendations of the consultation process documented in a report entitled Remaking the Library Regulation 2005. This report was submitted to Arts NSW for referral to the Parliamentary Counsel’s Office to begin the parliamentary process to remake the Library regulation.
Ms Regina Sutton  
State Librarian and Chief Executive, SES Level 5  
Appointment commenced on 10 July 2006  
Total remuneration package $296,150 per annum

The Director-General has expressed her satisfaction with Ms Sutton’s performance of her responsibilities.

The State Library has maintained its delivery of high-quality library and information services that meet a diverse range of interests and needs.

As the State Librarian, Ms Sutton is responsible for the administration and management of the State Library and the library and information services it provides, including access to greatly expanded online products and databases and a suite of learning programs that connect the Library’s collections to the broader community.

Under Ms Sutton’s leadership, key achievements for the State Library in 2009/10 include:
- the efficient pace of the eRecords card catalogue conversion program which exceeded targets by 20%  
- a significant increase in community awareness to 96%, supported by the wide range of events, exhibitions and media linked to the Mitchell Library centenary
- the successful execution of the first phase of transforming the Library’s physical and public presence, which delivered a new air conditioning system, refurbished exhibition gallery spaces, new signage and more welcoming public spaces.

Information regarding key activities undertaken as part of the State Librarian’s responsibilities is contained in this report.
