

**Activity 4: Processing geographical information – Activities and the weather**

Students draw themselves doing an activity in each weather type. They also write or draw activities they can't do in each type of weather. Students should show what they wear for each type of weather. They could use the images in Source 10.

**TABLE 2 – WEATHER AND ME**

<b>An activity I can do in hot weather</b>	<b>An activity I can do in cold weather</b>	<b>An activity I can do in rainy weather</b>
<b>Activities I can't do in hot weather</b>	<b>Activities I can't do in cold weather</b>	<b>Activities I can't do in rainy weather</b>
