Overview

First Contacts introduces world history and the movements of peoples. Beginning with the history of Aboriginal and Torres Strait Peoples, students examine European exploration and colonisation in Australia and the world to the early 1800s.

The following are teaching ideas for this stage that incorporate skills and concepts, with links to the State Library of NSW's teaching and learning collection. The teaching ideas are not in any sequence. Teachers should choose those that are suitable for their class and integrate them into their program where relevant.

Perspectives and Interpretations (Skill and concept)

People from the past (or present) will have different views and experiences.

- Identify different points of view within an historical context.

Students:

- examine a map of Australia showing the Aboriginal clans throughout Australia. If compared to an empty map of Australia, what impression of Australia does this provide?
- create a diary account of a convict on the First Fleet telling of his/her fears or describe an Aboriginal person’s reaction to witnessing the arrival of the First Fleet in his/her harbor.
Empathetic Understanding (Skill and concept)

Students develop an understanding of another’s views, life and decisions made.

- Explain how and why people in the past may have lived and behaved differently from today.

Students:

- examine a range of sources about child convicts. Students choose one child convict and write a diary account of their first few days in Botany Bay or choose a character from an early drawing/painting of early colonial life and explain why they are there.
- read an appropriate historical novel in class; listen to colonial ballads. What do they tell us of early colonial life?

Research

- Pose a range of questions about the past.
- Plan an historical inquiry.

Students:

- pose questions to the teacher, who has assumed an historical persona, about his/her life in the early colony.
- plan an historical inquiry into another early convict, early settler or Aboriginal character, using at least 3 different sources.

Explanation and Communication

- Develop texts, particularly narratives.
- Use a range of communication forms (oral, graphic, written) and digital technologies.
