Study rooms
We have five study rooms that are available to book for individual and group study. The study rooms contain a table, four or six chairs and power points to charge your devices. Study rooms 1, 2, 3 and 4 on Lower Ground 2 have a whiteboard. There's no other equipment in the rooms.

It's free to book a study room, you just need a Library card. You can book a study room online or use the 'Book a study room' computer opposite study room 1.

You can book a study room for:

- up to 2 hours per day
- up to 2 weeks in advance.
