

**Activity 2: Processing information – Classrooms and people**

Explore different classrooms within the school.

Take photos of the rooms and bring them back to your own class for discussion. What activities do people do in a classroom? How are they arranged? Students interview other students and ask: ‘What is your favourite space in your classroom? Why?’

Classroom 1:

Classroom 2:

What is similar about each of these classrooms? Make a list.

**Word bank:** door, people, roof, walls, windows, floor, desks, free space, carpet, wet area, sinks, bins

What is similar about the activities people are doing in these classrooms? Make a list.
