

Activity 3: Acquiring and representing information – Places I have holidayed

Students collect personal photos or images accessed through the Internet to represent the places they have holidayed. Students complete Table 1. An example has been provided.

TABLE 1: PLACES I HAVE HOLIDAYED

PLACE	Features of this place	Why did you visit this place?	Is this place in Australia or overseas?	How did you get there? What did you do on the journey?	How often would you visit this place?
