### Search tips for catalogue

- Use **Advanced Search** to combine more than one search word
- When searching for author enter surname first (eg Blainey, Geoffrey)
- **Sign in** to the catalogue to request material

## MENU: eResources

**Free** to access with your State Library card. **High quality**, academic material to ensure your work is **well-researched**. Available **online anytime, anywhere**.

### Important:

- Locate the subject **HSC** from the list on the left
- Open the '+' box next to **HSC** and tick *History, Modern* for a list of recommended databases
- Or find a specific database by name (eg JSTOR) in *By database title*

### Search tips for eResources

- Use "quotation marks" for exact phrase searching
- Use **ADVANCED** search options to combine words using AND, OR, NOT
- Use asterisks \* for wildcards- alternative endings of words eg democra\*= democratic, democracy
- Select **Full Text** search options to find full text articles only (N.B. In some databases, this will be called "Content I can access")
- Refine your results in some databases by limiting to **scholarly** or **peer reviewed** sources, for academic level journals which have been evaluated by experts
- Watch your **spelling** – both in terms of accuracy and American spelling variations
- **Vary your search terms**- try synonyms for your topic words
